SKYMAXX LX PLUS

More stars - more fresh air!

Natural light, the sky at night and fresh air - the basic fundamentals of adventure.

While enjoying time with family, neighbors or just simply relaxing, MAXxAIR's new SKYMAXX Series of skylights can add so much function, drama, balance and ventilation to any environment.

- Natural light makes small spaces feel open and free.
- Create drama in any space.
- Bring the balance and harmony of nature indoors.
- With the ability to open the SKYMAXX, create a cooling effect and bring fresh air throughout your RV.
- Create more opportunities for natural light without sacrificing privacy.
